## 2 INTRODUCTION

The offices of Werksmans have been mandated by the Honourable Minister of Police, Mr Nathi Nhleko, to conduct an investigation into the reports submitted by IPID which deal with the Rendition.

### 2.1 Terms of reference for the investigation

In conducting the aforesaid investigation, the Minister has provided Werksmans with the following terms of reference:

*"5. Your terms of reference in the investigation are the following:*

*5.1 who and under what circumstances was the original report altered or how the Second Report came about with both reports signed by the same person; i.e Mr Khuba;*

*5.2 whether any misconduct or offence has been committed and if so by whom?;*

*5.3 whether there is prima facie evidence of misconduct and criminal liability by Lieutenant-Dramat; Major-Sibiya; and any other officers mentioned in the original report.;*

*5.4 the circumstances under which report and the docket handed in the NPA and what happened to the docket whilst in the NPA's possession;*

*5.5 any other matter that might come to your attention during the investigation which relevant to your conclusions and findings."*

### 2.2 Factual background of the rendition

2.2.1 Based on an evaluation of the First and Second Reports as well as the documents and evidence before us, we have summarised the sequence of events of the Rendition as set out below.

- 2.2.2 During the period November 2010 until January 2011, a number of Zimbabwean nationals were arrested by SAPS together with Zimbabwean police officials. The arrest of these individuals was explained by the DPCI, in response to a parliamentary question posed by a member of the Congress of the People. The DPCI, through Dramat, advised parliament that the individuals in question were deported as illegal immigrants and had been arrested on suspicion of having committed or been involved in certain crimes, such as ATM bombings. The DPCI in its parliamentary response, further stated that when it came to light that the arrested individuals could not be linked to specific crimes, the individuals were deported to Zimbabwe.
- 2.2.3 From the documentation provided for our review, it appears that The DPCI was aware that the response to the parliamentary question was not factually correct. It is our view that they deliberately misled parliament in this regard.
- 2.2.4 The circumstances surrounding the arrests appeared to be questionable and raised a number of legal considerations relating to, inter alia, the lawfulness of the process followed by the SAPS in deporting the relevant Zimbabwean nationals.
- 2.2.5 The arrests of the five Zimbabwean nationals was effected in three stages which will be summarised briefly, below.
- 2.2.5.1 *The first operation*
- 2.2.5.1.1 The first operation relating to the arrest of Zimbabwean nationals took place on 5 November 2010 where four Zimbabwean nationals (Dumisani Witness Ndeya, Nelson Ndlovu, Maqhawe Sibanda and Shepard Tshuma) were arrested in Diepsloot and detained in the Orlando police station in Soweto. The reasons stated for their detention was that they were illegal immigrants. The operation was conducted by the DPCI head office and DPCI provincial office (TOMS). It is alleged that DPCI and TOMS were accompanied by two Zimbabwean police officers. The members of the operation

were informed during a parliamentary briefing meeting that they were tracing suspects involved in a robbery committed in Zimbabwe during which a Zimbabwean police superintendent was fatally shot.

#### 2.2.5.1.2

After the four Zimbabwean nationals referred to in 2.2.5.1.1 were booked into Orlando police station, Dumisani Witness Ndeya was booked out of Orlando police station in order to assist the SAPS with the tracing of a certain individual named John. John could not be traced and Dumisani Witness Ndeya was returned to Orlando police station. The four Zimbabwean nationals were detained over the weekend as illegal immigrants and on the morning of 8 November 2010 they were booked out of Orlando police station by Maluleke. Maluleke indicated at this time that the Zimbabwean nationals were to be transported to Beitbridge border post. Two of the Zimbabwean nationals were released and the remaining two were transported to Beitbridge border post and handed over to a contingent of Zimbabwean police.

#### 2.2.5.1.3

The circumstances under which the Zimbabwean nationals were deported, is circumspect. The docket which was used during the deportation did not belong to the Department of Home Affairs, as it is required to in the case of deportations. Although there were documents which were presented as being documents issued under the auspices of the Department of Home Affairs in order to authorise the deportation, it appears from an analysis of such documentation by an expert in this regard, that the documents which purported to be issued by the Department of Home Affairs, were forged.

#### 2.2.5.1.4

Maqhawe Sibanda was later released by Zimbabwean police after allegedly spending eleven days in custody and being tortured. Dumisani Witness Ndeya died while in the custody of the Zimbabwean police.

## 2.2.5.2 *Second operation*

2.2.5.2.1 A second operation was conducted on or about 22 November 2010 by the same police units which conducted the first operation. In this second operation, Prichard Chuma was arrested in Diepsloot and detained at Alexandra police station under a Zimbabwean police reference number, being Bulawayo case number: 1337/11 and was booked out on 23 November 2010 and taken to Silverton police station.

2.2.5.2.2 It would appear that on 24 November 2010 W/O Selepe of the Gauteng TOMS unit of the DPCI, on instruction by Maluleke, booked out Prichard Chuma from Silverton police station and transported him to Beitbridge border post, accompanied by Maluleke, where Prichard Chuma was handed to Zimbabwean police.

2.2.5.2.3 Prichard Chuma was never seen again. It is presumed that he also died in Zimbabwe under police custody.

## 2.2.5.3 *Third operation*

2.2.5.3.1 Maluleke conducted this part of the operation with the assistance of the CIG (Crime Intelligence Gathering) members of Pretoria. Gordon Dube ("**Dube**"), a Zimbabwean national was arrested in conjunction with two other individuals. Dube had a number of criminal cases pending against him. During the arrest, which took place in Diepsloot on or about 11 January 2011, Dube was shot and injured.

2.2.5.3.2 Due to the fact that Dube was being treated at hospital instead of being held at Wierdabrug police station, he did not appear in court with the two other individuals who were arrested with him. He was, however, due to appear in court on 28 January 2011.

- 2.2.5.3.3 Dube did not appear in court as he was booked out of hospital on Maluleke's instructions. At the same time, Maluleke retrieved the gun that was found in Dube's possession when he was arrested from Weirdabrug police station. The same gun was allegedly used in the robbery in Zimbabwe referred to at 2.2.5.1.1 which resulted in the death of the Zimbabwean superintendent.
- 2.2.5.3.4 Maluleke informed the investigating officer, Lean Meyer, that Dube would be dealt with through immigration channels. Maluleke then transported Dube to Beitbridge and Dube never returned to South Africa.
- 2.2.5.3.5 Maluleke once again enlisted the services of CIG in order to trace an additional Zimbabwean national, Johnson Nyoni ("**Nyoni**"). Nyoni was traced in Diepsloot and arrested by the CIG members and the TRT unit of the Johannesburg Central police station, on 26 January 2011.
- 2.2.5.3.6 Nyoni was taken to the DPCI head office where the members who participated in the arrest of Nyoni were congratulated by Dramat. Photographs depicting the members involved in the arrest, Nyoni, two Zimbabwean police members and their vehicle, and the gun retrieved from Dube's possession, were taken by a third Zimbabwean police officer.
- 2.2.5.3.7 Nyoni was thereafter booked out on 28 January 2011 by Maluleke and taken, together with Dube, to Beitbridge border post. The entry in the registers at the relevant police station reflect that Nyoni was booked out for the purpose of extradition to Zimbabwe through the Beitbridge border post. Nyoni was killed while in the custody of the Zimbabwean police.

## 2.3 Relevant legislation

2.3.1 In conducting our investigation and for the purposes of drawing any legal conclusions, we have considered the following pieces of relevant South African legislation:

### 2.3.1.1 Immigration Act

2.3.1.1.1 The deportation of a fugitive must be dealt with in terms of an extradition agreement between South Africa and the country of nationality of the fugitive. If no such extradition agreement exists and the individual is an illegal; immigrant, the Immigration Act applies.

2.3.1.1.2 In the circumstance, there is no extradition agreement between Zimbabwe and South Africa. Notwithstanding that there exists an organisation formed in Zimbabwe in order to facilitate international police cooperation (namely, Southern African Regional Police Chiefs Co-operation Organisation) this organisation does not govern the deportation of Zimbabwean nationals who are illegal immigrants in South Africa. As such, the Immigration Act governs the deportation of Zimbabwean nationals who are illegal immigrants in South Africa.

2.3.1.1.3 The process which is required to be followed in deporting an illegal immigrant is governed by Section 34 of the Immigration Act. In terms of the aforementioned Section -

*"34(1) Without the need for a warrant, an immigration officer [our emphasis] may arrest an illegal foreigner or cause him or her to be arrested, and shall, irrespective of whether such foreigner is arrested, deport him or her or cause him or her to be deported and may, pending his or her deportation, detain him or her or cause him or her to be detained in a manner and at a place determined by the Director-General, provided that the foreigner concerned -*

- (a) *shall be notified in writing of the decision to deport him or her and of his or her right to appeal such decision in terms of this Act;*
- (b) *may at any time request any officer attending to him or her that his or her detention for the purpose of deportation be confirmed by warrant of a Court, which, if not issued within 48 hours of such request, shall cause the immediate release of such foreigner;*
- (c) *shall be informed upon arrest or immediately thereafter of the rights set out in the preceding two paragraphs, when possible, practicable and available in a language that he or she understands;*
- (d) *may not be held in detention for longer than 30 calendar days without a warrant of a Court which on good and reasonable grounds may extend such detention for an adequate period not exceeding 90 calendar days, and*
- (e) *shall be held in detention in compliance with minimum prescribed standards protecting his or her dignity and relevant human rights."*

#### 2.3.1.1.4

It is evident from the above that an immigration officer is mandated to follow a particular process when dealing with illegal immigrants.

#### 2.3.1.1.5

The Immigration Act defines 'immigration officer' to mean –

*"an officer appointed by the Director-General to perform the functions of either the permitting office, port of entry or inspectorate as contemplated in the [Immigration] Act."*

2.3.1.1.6

None of the police officers involved in the Rendition are or were, at the time, immigration officers in terms of the Immigration Act and as such, none of these persons were legally authorised to conduct a deportation of any Zimbabwean nationals.

2.3.1.1.7

The Immigration Act further provides in terms of Section 49 that-

*"(2) Anyone who knowingly assists a person to enter or remain in, or depart [our emphasis] from the Republic in contravention of this Act, shall be guilty of an offence and liable on conviction to a fine or to imprisonment not exceeding five years;*

*(7) Anyone participating in a conspiracy of two or more persons to conduct an activity intended to contravene this Act, shall be guilty of an offence and liable on conviction to a fine or to imprisonment not exceeding seven years: Provided that if part of such activity is conducted or intended to be conducted in a foreign country, the offence shall be punishable by imprisonment not exceeding eight years without the option of a fine.*

*(8) Anyone who wilfully or through gross negligence produces a false certification contemplated by this Act, shall be guilty of an offence and liable on conviction to a fine or to imprisonment not exceeding three years.*

*(9) Anyone, other than a duly authorised public servant, who manufactures or provides or causes the manufacturing or provision of a document purporting*

*to be a document issued or administered by the Department, shall be guilty of an offence and liable on conviction to imprisonment not exceeding 10 years without the option of a fine.* " "

2.3.1.1.8 It is evident that the procedure to be followed in respect of deporting an illegal immigrant is governed by the Immigration Act. The fact that the Immigration Act was not complied with in the Rendition, was part of the impetus giving rise to an investigation of the Rendition.

2.3.1.1.9 It is further evident that a deliberate contravention of the Immigration Act is a crime, subject to the penalties stipulated in the Immigration Act.

2.3.1.1.10 As already stated above, the Immigration Act was contravened during the Rendition.

#### 2.3.1.2 **The Act**

2.3.1.2.1 The objectives of the Act are set out in Section 2 of the Act which provides-

- "(a) to give effect to the provision of Section 206(6) of the Constitution establishing and assigning functions to the Directorate on national and provincial level;*
- (b) to ensure independent oversight of the South African Police Service and Municipal Police Services;*
- (c) to align provincial strategic objectives with that of the national office to enhance the functioning of the Directorate;*
- (d) to provide for independent and impartial investigation of identified criminal offences allegedly committed by members of the South African Police Service and Municipal Police Services;*

- (e) *to make disciplinary recommendations in respect of members of the South African Police Service and Municipal Police Services resulting from investigations conducted by the Directorate;*
- (f) *to provide for close co-operation between the Directorate and the Secretariat; and*
- (g) *to enhance accountability and transparency by the South African Police Service and Municipal Police Services in accordance with the principles of the Constitution."*

#### 2.3.1.2.2

Regulation 5(i) to the Act states:

*"after collecting all evidence, statements and technical or expert reports, if applicable, submit a report on the investigation of the offence to the Executive Director or the relevant provincial head, as the case may be, containing recommendations regarding further action, which may include disciplinary measures to be taken against a member of the South African Police Service or the Municipal Police Service or criminal prosecution of such member." [own emphasis]*

#### 2.3.1.3

From a reading of the Act, and the above regulation, it is evident that both criminal and disciplinary recommendations may be made in relation to the conduct of members of SAPS and its directorates. This includes the DPCI as a directorate within SAPS. In addition, it appears that in terms of the regulations, the investigator must submit a report on the investigation of the offence to the executive director of IPID.

### **3 SECTION A: CIRCUMSTANCES SURROUNDING THE COMPILING OF EACH REPORT**

#### **3.1 Section A1: First Report**

3.1.1 At the outset, it is critical to mention that prior to Khuba conducting any investigations into the Rendition, there were two investigations into the Rendition that had already been undertaken, as follows –

3.1.1.1 the DPCI had conducted and concluded an internal investigation into the Rendition, in terms of which the DPCI members involved in the Rendition were exonerated from any wrongdoing in the Rendition; and

3.1.1.2 a member of Crime Intelligence, Moukangwe, had commenced an investigation into the Rendition. According to the investigation conducted under the auspices of Crime Intelligence was never concluded, instead it was done jointly with IPID.

3.1.2 The First Report was compiled by Khuba with the assistance of Moukangwe and the guidance of Mosing and Moeletsi. In this section we elucidate the circumstances under which this report was produced by Khuba and Moukangwe. Our explanation of the circumstances under which this report was produced is based on the interviews conducted with Khuba, Moukangwe and Mosing.

3.1.3 It is important to state that the Special Projects Division in the office of the NDPP was tasked to provide guidance to Khuba and Moukangwe during the course of their investigation. The Special Projects Division is headed by Mosing assisted by Moeletsi. The role of Mosing and Moeletsi was never to make a decision on whether to prosecute or not.

3.1.4 On 23 October 2012 Khuba received a docket from Sesoko and an appointment letter to conduct an investigation of all cases of alleged assault in relation to Sibiya. Upon perusal of the docket of Diepsloot 390/07/2012 he discovered that the DPCI had received a complaint relating to the Rendition.

- 3.1.5 In light of the above, Khuba was instructed by the former Acting Executive Director of IPID Koekie Mbeki to conduct an investigation into the Rendition. He was further instructed to liaise with Moukangwe so that the latter could assist him to conduct the investigation.
- 3.1.6 Khuba briefed Moukangwe on the intended investigation and it was agreed that Moukangwe will assist Khuba in conducting the investigation into the Rendition. What was further agreed was that Moukangwe's name would not appear in the report once the investigation is finalised as the investigation was commissioned by IPID and Moukangwe was employed at Crime Intelligence.
- 3.1.7 Khuba began his investigation by interviewing certain members of the Department of Home Affairs. At this stage the docket already had statements obtained from the TOMS, Crime Intelligence and the Zimbabwean nationals who had been subject to the Rendition.
- 3.1.8 Subsequently, on 7 March 2013, Khuba visited the office Dramat. Moukangwe was a party to this meeting as well. At this meeting, Dramat stated that he did not recall meeting with the Zimbabwean Police. Khuba requested certain documents, including statements and documents related to the internal investigation into the Rendition conducted by DPCI, from Dramat. Dramat instructed Khuba that such request be made in writing.
- 3.1.9 When Khuba was finally provided with the requested documents, it appeared as if the statements provided recorded that the internal investigation conducted by DPCI was conducted properly and that everything was in order. Khuba, however, was unconvinced as to the correctness of the statement of a particular individual, being Madilonga, which statement was signed but not commissioned. Khuba met with Madilonga who provided a new statement detailing the actual events regarding his involvement in the Rendition.
- 3.1.10 Khuba conducted further investigations relating to the passage of individuals through the Beitbridge border post on the dates relevant to

the Rendition. In addition, Khuba spoke to Leonie Verster who was Maluleke's supervisor. Leonie Verster indicated that Maluleke did not respect the chain of command and would communicate directly with Sibiya. Leonie Verster also drew Khuba's attention to the success reports directed to Dramat, Lebeya, Hlatswayo and others. Khuba perused the three success reports with which he had been provided and noted that one report dealt with the deportation or the arrest of Ndeya, and others that were connected relation to the murder of a Zimbabwean police officer in Zimbabwe.

3.1.11 One success report recorded that the Zimbabwean police came and met with Dramat on 5 November 2010 and requested assistance. The success report further recorded Maluleke's appointment to head the assignment to trace the Zimbabwean fugitives. Khuba obtained a laptop belonging to Maluleke and found that the success reports were generated from this laptop. The laptop also contained photographs of the operation as well as correspondence to Zimbabwean police officers.

3.1.12 Khuba's investigation continued. As part of the investigation, Khuba met with members of crime intelligence. At their offices, Khuba noticed that the photographs which he obtained from Maluleke's laptop relating to the operation were posted on the office walls of some members of crime intelligence. Khuba was informed by a member of crime intelligence, Mkasibe that during January 2011 when the arrests were completed, they went to DPCI's offices and Dramat personally came to the offices at House No. 3 and congratulated them for a job well done. According to Mkasibe, Dramat requested that they not tell anyone about the details of the operation. According to Khuba, Mkasibe confirmed that he has a historical relationship with Dramat due to their mutual involvement in Umkhonto We Sizwe.

3.1.13 Mkasibe's statement was corroborated by Mngwenya who confirmed that Dramat addressed the officers and congratulated them; however, Mngwenya did not mention Dramat telling them not to divulge the details of the operation. In addition, a third officer, Mokgobu, stated that she was out of the office at the time that Dramat attended to congratulate

them; however, upon her return, she was informed that Dramat was congratulating the officers at House No.3.

- 3.1.14 Subsequently there was a leak of information regarding the investigation which was published in the Sunday times. At this time, Khuba and Mosing began drafting questions to Dramat enquiring about Dramat's involvement in the Rendition.
- 3.1.15 Khuba also interviewed Maluleke specifically regarding his promotion from captain to colonel. Khuba was not successful in obtaining the file regarding Maluleke's promotion.
- 3.1.16 Khuba records that Dramat sent a report, in response to the parliamentary question posed by a member of Congress of the People (COPE) regarding the Rendition, explaining the circumstances of the Rendition by stating that the Zimbabwean nationals were deported as illegal immigrants. This caused Khuba to investigate the matter further. He considered expense claims relating to the travelling to Beitbridge border post, as well as cell phone and vehicle tracker records positioning Maluleke, Makoe, Nkosi and constable Radebe at Diepsloot on the night of the arrests.
- 3.1.17 Khuba then investigated the booking in and out of certain police stations of the relevant Zimbabwean nationals following the arrests at Diepsloot. Khuba then began finalising the report but did so in the absence of an analysis of the cell phone records of Sibiya. Although Khuba was in possession of cell phone records in relation to Sibiya, such cell phone records had to be interpreted by an expert.
- 3.1.18 According to Khuba, as he was conducting the investigation with Moukangwe they would consult with Mosing and Moeletsi who were providing guidance in the process regarding the evidence to be collected in finalising the investigation. At some stage during 2013, Mosing and Moeletsi advised Khuba and Moukangwe as to which information in their draft investigation report dated October 2013 needed to be added. This information was the warning statements from Dramat, Sibiya, Maluleke, Leonie Verster and analysis of cell phone records by an expert.

- 3.1.19 Khuba advised that subsequent to the advice by Mosing and Moeletsi, he and Moukangwe conducted further investigations to address the concerns raised by Mosing and Moeletsi. According to Khuba all the individuals mentioned above refused to provide warning statements.
- 3.1.20 In light of that which is stated in the preceding paragraph, Khuba and Moukangwe finalised their investigation and provided a report with recommendations. This report was submitted to Mosing and Moeletsi on 22 January 2014. This report, being the first report, was, in the opinion of Moukangwe and Khuba, final. The recommendations made in this report were that Dramat, Sibiya, Maluleke, Makoe, Radebe and Nkosi be criminally charged with defeating the ends of justice and kidnapping.
- 3.1.21 According to Khuba, the First Report was submitted as a final report and they expected the NPA to take further action as required by law, on the basis of their recommendations set out therein.
- 3.1.22 In our interview with Moukangwe, Moukangwe corroborated Khuba's version regarding his (Moukangwe's) involvement in the investigation and the compilation of the First Report.
- 3.1.23 Moukangwe explained why he, as a member of SAPS, was tasked with conducting an investigation on behalf of IPID. In this regard he stated that the majority of the work had already been done by Crime Intelligence and that his superiors were of the view that he should assist Khuba in finalising the investigation.
- 3.1.24 According to Moukangwe, when they (Moukangwe and Khuba) finalised the First Report on 22 January 2014, the only outstanding information was the warning statements from Dramat, Sibiya, Verster and Maluleke who had all refused to provide these warning statements.
- 3.1.25 Moukangwe corroborated Khuba's testimony that Dramat, Sibiya and Maluleke had refused to provide warning statements when they approached them pursuant to the advice of Mosing and Moeletsi:

- 3.1.25.1.1 Dramat told them that he wants to involve his attorney and would only give a statement after discussing same with his attorney:
- 3.1.25.1.2 Sibiya requested that he be sent questions and would thereafter respond to such questions.
- 3.1.25.1.3 Maluleke refused and advised them that he will answer all the questions in Court. Vester, who in their view was quite knowledgeable on the operation, was also refusing to provide them with a statement.
- 3.1.26 According to Moukangwe this was the only outstanding information in the First Report and that in their view, nothing further could be done to obtain this information. As such, the First Report was not contemplated to be subject to any further amendment or revision.
- 3.1.27 Moukangwe went on to say that the report on 22 January 2014 was final as they could not force anyone to make statements or give evidence.
- 3.1.28 Moukangwe informed us that he does not know anything about the Second Report and was not involved in the drafting of the said report.
- 3.1.29 Mosing corroborated Khuba and Moukangwe's evidence in relation to the involvement of his office in the investigation into Rendition. Mosing explained that the Preliminary Report was prepared on 22 October 2013, compiled by Khuba and Moukangwe and was presented to Mosing and Moeletsi for consideration. This was a draft report. Mosing and Moeletsi advised Khuba and Moukangwe to conduct further investigations.
- 3.1.30 On 12 November 2013 Mosing addressed an NPA internal memorandum to Nxasana and Jiba updating them on the status of the investigation conducted by IPID. Mosing attached the Preliminary Report to this memorandum. In this memorandum Mosing, *inter alia*, summarised the evidence gathered at that stage and stressed the need for further investigation to be conducted in relation to certain aspects of the investigation as per paragraph 5.6 of the Preliminary Report.

- 3.1.31 We are not able to confirm as to whether or not Nxasana had ever received a copy of the internal memorandum mentioned at 3.1.30 as he has failed to respond to our requests to meet.
- 3.1.32 Paragraph 4 of Mosing's memorandum specifies the outstanding investigations required at that stage to finalise the report. This includes-
- 3.1.32.1 the reports of analysis of cell phone records;
- 3.1.32.2 the report on analysis of vehicle tracking information of the members involved during the operations and;
- 3.1.32.3 the statements from Dramat, Sibiya and Maluleke.
- 3.1.33 Khuba and Moukangwe continued with their investigation and requested warning statements from the above individuals, all of which refused to provide warning statements. The investigators thereafter obtained the analysis of cell phone records and finalised their report.
- 3.1.34 On 22 January 2014 Khuba met with Mosing and Moeletsi to submit the report as a final report. According to Mosing, Khuba and Moukangwe felt that they had now completed their work and that it was up to Nxasana to make a decision on the merits of the case.
- 3.1.35 Mosing advised Khuba to include his (Khuba's) statement as the investigator in order to explain how he conducted the investigation. This was the only outstanding statement in the report of 22 January 2014. Mosing further advised us that two days after 22 January 2014, Khuba included his statement into the report and subsequently signed same. Khuba did not change the date of the report to signal the exact date that the report was signed. The First Report was complete and submitted to Mosing for further action.
- 3.1.36 On 13 February 2014, Mosing addressed an internal memorandum to Jiba and Chauke, indicating that the investigations have been finalised and that the report from IPID has been submitted for the purposes of considering the merits of the case. The First Report was attached to this

memorandum. Mosing further stated that the docket comprising of two lever arch files, together with other files containing the cell phone data and evidence obtained from a computer belonging to the DPCI, was also enclosed.

3.1.37 Jiba confirmed that the internal memorandum was drafted on her advice and she confirmed receipt of both internal memorandums (being the memorandums mentioned at 3.1.30 and 3.1.36) from Mosing.

3.1.38 After the docket was sent to Chauke, Chauke handed the docket to Adv. Van Zyl. On 7 March 2014, Khuba accompanied by Angus removed the docket from the possession of Adv. Van Zyl.

3.1.1 The First Report contains, inter alia, a summary of the material statements provided by the individuals interviewed during the investigation as well as an analysis of the evidence. This First Report recommends that Dramat, Sibiya, Maluleke, Radebe, Nkosi and Makoe be prosecuted for their involvement in the Rendition, specifically in relation to the crimes of kidnapping and defeating the ends of justice. The report further recommends that Maluleke, Radebe, Nkosi and Makoe be prosecuted for assault and theft.

## 3.2 **Section A2: Second report**

### 3.2.1 How the Second Report was compiled

3.2.1.1 Subsequent to the submission of the First Report, on 3 March 2014, McBride was appointed as executive director of IPID. At this stage, McBride requested an update of all the high profile matters that were being handled by IPID, including the Rendition.

3.2.1.2 As such, after McBride was appointed, Sesoko, McBride and Khuba began working on the Second Report. This was done in the absence of any consultations in this regard with Moukangwe and/or Mosing who were both active in the investigation and the submission of the First Report.

- 3.2.1.3 At the outset, we believe that it is important for us to note that although we make reference to the so-called Second Report, we are of the view that this term is a misnomer. The Second Report is not an additional report in the matter of the Rendition, nor does it appear to be an update of the First Report, as implied by Khuba.
- 3.2.1.4 It is clear upon perusal of the First and Second Reports that the Second Report is actually a version of the First Report which has been altered by the deletion of certain evidence in order to arrive at a conclusion which is far removed from the conclusion of the First Report. There appears to be no valid explanation for this deletion of evidence, nor are we able to ascertain who is responsible for such deletions, even after having interviewed each of Khuba, Sesoko and McBride, being the co-signatories to the Second Report.
- 3.2.1.5 The First Report was drafted and submitted as set out in Section A1. As mentioned previously, the Second Report differs from the First Report in respect of the recommendations made by each report and the summary of evidence contained in each report.
- 3.2.1.6 While the First Report was signed by Khuba, the Second Report was signed by Khuba, McBride and Sesoko. It is the version of Khuba that the submission of the Second Report was necessitated by two things, namely the addition of new evidence and as a result of discussions with Sesoko.
- 3.2.1.7 Both Moukangwe and Mosing confirm that even though they were part of the investigation team in respect to the submission of the First Report, they were not consulted in the decision to amend the findings and recommendation of the First Report, which subsequently resulted in the drafting of the Second Report.
- 3.2.1.8 The sequence of events which led to the issuing of a Second Report are suspicious insofar as the dramatic change in the conclusion and recommendations of each report does not appear to have been occasioned by a substantial addition to the evidence, but instead, seems to be occasioned by a deletion of evidence.

- 3.2.1.9 Khuba states that he met with McBride in order to discuss his investigation, however, prior to meeting with McBride, Khuba provided Sesoko with an email copy of his report to pass along to McBride so that McBride would be able to prepare for the meeting with Khuba. Although Sesoko confirms receipt of such email from Khuba, he is unclear of whether he provided McBride with a hard copy or a soft copy of the report.
- 3.2.1.10 Notwithstanding that Khuba states that he emailed a copy of the First Report to Sesoko for McBride's attention, and Sesoko confirms that he provided the report to McBride, both Sesoko and McBride are adamant in stating that they did not have knowledge of the First Report. This version by McBride is contradicted by Khuba who states that in his first meeting with McBride, it was evident from a discussion regarding the Rendition, that McBride had had regard to the First Report.
- 3.2.1.11 According to Khuba on 5 March 2014, McBride met with Khuba. It was evident from the discussions held between Khuba and McBride during this meeting, that McBride had had regard to the First Report. Subsequently Khuba briefed Sesoko on the matter.
- 3.2.1.12 The following day, being 6 March, Khuba met with McBride, Sesoko and Angus. It is alleged that McBride requested Angus to review the process of the investigation to ensure that the investigation had been conducted appropriately. Angus, however, advised McBride that he did not believe that it was appropriate for him to get involved at that stage of the investigation. It was on this day that McBride requested Khuba to retrieve the docket from the NPA and to provide McBride with every document Khuba possessed regarding this matter.
- 3.2.1.13 On 7 March 2014, Khuba attended at the offices of the DPP with Angus and specifically to Advocate Van Zyl who was in possession of the docket at the time. Khuba and Angus then removed the docket from the possession of Advocate Van Zyl. During our interview with

Angus, he failed to disclose the fact that he attended at the offices of the NPA with Khuba in order to retrieve the docket. When this issue was subsequently raised with him, Angus states that he merely signed for the docket in the capacity of witness but he was allegedly not aware of the fact that he was signing for the removal of the docket. This is directly contradicted by Khuba who states that Angus was aware of the request by McBride for the docket to be retrieved, attended at the NPA and spoke with Advocate Van Zyl directly requesting the docket.

- 3.2.1.14 The first draft of the Second Report went to and fro amongst the Khuba, Sesoko and McBride. Khuba states that at no stage did McBride request that Khuba exonerate any particular individual in the Second Report.
- 3.2.1.15 Khuba states that he signed the last page of the Second Report once it was finalised and did not initial each page; as such, he would be incapable of knowing if any information was added or removed. He The Second Report was then submitted, and dated 18 March 2014.
- 3.2.1.16 During our interview with Khuba, his attention was drawn to the discrepancies between the recommendation of the First Report and the Second Report. Khuba's initial explanation for certain deletions was related to the fact that an evaluation of the evidence in relation to Sibiya and in conjunction with his discussions with Sesoko, it was decided that it would not be possible to prove that Sibiya was guilty of assault beyond a reasonable doubt.
- 3.2.1.17 Khuba later stated that he is strongly concerned about the removal of certain information, specifically the deletion of evidence which implicates Dramat. He states that the Second Report only went through three hands, being the three co-signatories to the report, including himself and that all that he did in respect of the report was to add information which was outstanding at the time.
- 3.2.1.18 Khuba is not able to adequately address the issue as to why the recommendation in respect of Dramat was changed, when initially

the recommendation in the First Report was based on Dramat's knowledge of the events and not his physical participation.

3.2.1.19 Khuba stressed that if there were changes to the First Report; he had no way of knowing if the Second Report reflected such changes. According to Khuba he did not check whether the final version of the report was the same document that he emailed to Sesoko.

3.2.1.20 Furthermore according to Khuba, he signed the Second Report and provided it to the other two co-signatories for signature after which, he cannot advise as to how the report was presented to the NPA.

3.2.1.21 McBride's version is that the only input he had into the Second Report related to grammatical changes made by McBride and that he did not see the First Report nor did he make substantive changes. This version is contradicted by Khuba who states that McBride had seen the First Report and had given input into the report which was not just grammatical.

3.2.1.22 According to McBride, he was provided with the Second Report which was already signed by both Khuba and Sesoko.

3.2.1.23 As stated above, Sesoko alleges that he never had regard to the First Report and was not responsible for the deletion of evidence.

3.2.1.24 As will be further elucidated in Section B, below, the First Report and the Second Report differ in a number of aspects. In summary, the most dramatic differences between the two reports are the difference between the recommendations contained in each report. While the First Report recommends that Dramat, Sibiya, Maluleke, Radebe, Nkosi and Makoe be charged criminally for their participation in the Rendition, the Second Report recommends that only Maluleke be charged criminally for his participation in the Rendition;.

3.2.1.24.1 while the Second Report contains summaries of the statements given by all the relevant individuals whose statements were

summarised in the First Report (but for the addition of statements from Dramat, Sibiya, Maluleke and Jennifer Irish Qhobosheane), the manner in which certain statements are summarised in the Second Report has been changed insofar as the portions of certain statements and/or evidence and even the analysis of findings which are reflected in the First Report, have been altered to remove wording which implicates Dramat as having knowledge of the Rendition..

3.2.1.24.2

although Khuba states that one of the reasons for the necessity of drafting the Second Report is the addition of new evidence, it is clear from an analysis of both reports, that the only addition to the Second Report relates to the addition of the statements mentioned above, and the addition of the analysis of Dramat's cell phone records. Other than the above, nothing additional was added. More importantly, as noted above, is that certain material portions of the individual statements found in the First Report have been removed from the Second Report

3.2.1.25

Pertinent information relating to the analysis of cell phone records has been removed and the records have been analysed in a way which falls short of the scrutiny contained in the First Report and which is required in an investigation process.

3.2.2

How the docket was dealt with after the submission of the Second Report

3.2.2.1

On 18 June 2014 Advocate Van Zyl requested the docket from Khuba telephonically. Khuba's response was that McBride had instructed him to return the docket to the NDPP and that this had been done.

3.2.2.2

Chauke addressed a letter on 3 July 2014 to Nxasana informing him about the above sequence of events regarding the docket. The NDPP responded to the letter on 20 August 2014 indicating that the NDPP is in a process of considering the matter and that Advocate Chauke may close his file.

- 3.2.2.3 In December 2014, after the suspension of Dramat, according to Chauke he received a call from the NDPP enquiring about the Rendition matter and was informed that Dramat had been suspended. The NDPP requested Chauke to proceed with dealing with the matter. Chauke advised the NDPP that he had since closed his file on the matter and was not dealing with it anymore.
- 3.2.2.4 Subsequently, on or about January 2015, the NDPP contacted Mzinyathi and advised Mzinyathi that the NDPP had received the docket from Chauke and that the matter fell under Mzinyathi's jurisdiction because Diepsloot, wherein the arrests of the Zimbabwean nationals took place, fell under the jurisdiction of the North Gauteng DPP. According to McBride, it was IPID (and not Chauke) that took the docket to the NDPP after McBride had signed the Second Report on 9 April 2014.
- 3.2.2.5 Shortly after his return from leave on 13 January 2015, Mzinyathi was furnished with the docket by the NDPP. At the time, Diepsloot did not fall under the jurisdiction of Mzinyathi which the NDPP was aware of. As such, this referring of the docket by the NDPP to Mzinyathi amounted to a transfer of jurisdiction, in terms of section 22(3) of the National Prosecuting Authority Act, from one DPP to another DPP.
- 3.2.2.6 Mzinyathi, together with Baloyi, perused the docket and engaged in discussions amongst themselves. In addition, Baloyi engaged in discussions with Khuba. Mzinyathi and Baloyi issued their recommendation in respect of this matter on 13 March 2015. In light of the transfer of jurisdiction mentioned at 3.2.2.5, the 'recommendation' made by Mzinyathi was a decision.
- 3.2.2.7 A decision as to whether or not to prosecute taken by a DPP is subject to review only by the NDPP, in terms of section 22(2)(c) of the National Prosecuting Authority Act. There is no authority in the National Prosecuting Authority Act which allows a DPP to review a decision taken by another DPP.

#### 3.2.2.8

Subsequently, on 1 April 2015, Chauke received the docket from the NDPP with a letter containing Mzinyathi's recommendations and was requested to make a decision on this matter. This amounts to a review of the decision taken by Mzinyathi which is contrary to the provisions of section 22(2)(c) of the National Prosecuting Authority Act.

There is no material difference between the document retrieved from the laptop and that found at the Hawks offices during investigation. This proves that Leonie Verster did not generate success report but only signed the report drafted by Captain Maluleke. Since the Zimbabwean Police where at Bel Bridge between 20h00 and 21h00, it is logical that they arrived in Gauteng late at night, leaving them with the, opportunity to have the meeting with General Dramat in the morning of the 5th of November 2010 as stated in the Success Report."</i></p>

## 5 SECTION C: ANALYSIS AND FINDINGS

For ease of reference in dealing with our analysis and findings, we will address each question posed in our terms of reference, separately below. We will make our recommendations in the context of an examination of the responses to each of the questions.

### 5.1 **Who and under what circumstances was the original report altered and/or how the Second Report came about with both reports signed by the same person; i.e Mr Khuba**

#### 5.1.1 Necessity of drafting the Second Report

5.1.1.1 The First Report was drafted and signed by Khuba in the circumstances set out at Section A1.

5.1.1.2 The Second Report was drafted in the circumstances set out at A2 and signed by Khuba, Sesoko and McBride.

5.1.1.3 Khuba was the lead investigator in the Rendition matter. He was assisted in conducting his investigation, by Moukangwe. During the investigation process, Khuba liaised with Mosing and Moeletsi from the NPA. Mosing confirms that when Khuba provided him with a copy of the First Report dated 22 January 2014, Mosing requested that Khuba add a summary of his evidence. Khuba then attended to adding his evidence and providing Mosing with a signed copy of the First Report.

5.1.1.4 Although the adding of Khuba's evidence was concluded a few days after 22 January 2014, the date of the First Report reflected 22 January 2014 nonetheless. The submission of the First Report was, in Mosing's mind a final submission of the report. In support of this version by Mosing, we have been provided with a memo addressed to the NDPP following from the consideration by Mosing of the First Report, wherein Mosing makes a recommendation to the NDPP to take certain action in this matter. It would not follow for Mosing to make such recommendation on the basis of the First

Report extant at that time if, in his opinion, the investigation was not complete and or the First Report was not final at that time.

5.1.1.5 As outlined in Section A and B, above, it is apparent that the two reports differ significantly in respect of the recommendations made in each report. During an interview with Khuba he alleged that the Second Report was created as a result of two factors which necessitated the drafting of a Second Report. These factors were:

5.1.1.5.1 the surfacing of new information, being information regarding Sibiya's cell phone analysis and a few outstanding statements; and

5.1.1.5.2 discussions between Khuba, McBride and Sesoko regarding the analysis of the evidence.

5.1.1.6 We find it difficult to reconcile ourselves with the reasons given by Khuba for the publication of the Second Report on the following basis-

5.1.1.6.1 it is the version of both Moukangwe and Mosing, that the evidence regarding Sibiya's cell phone records were already known to Khuba before the submission of the First Report. As such, any additional analysis of the cell phone records, could not add any material evidence to the report;

5.1.1.6.2 upon perusing the Second Report, there is no material information which has in-fact been added in respect of the cell phone analysis of Sibiya's phone records;

5.1.1.6.3 contrary to there being no material evidence relating to Sibiya's cell phone records, in fact material evidence regarding Sibiya's cell phone records (specifically evidence relating to the smses sent by Sibiya to Dramat and others who were involved in the operation) was deleted and did not appear in the Second Report;

- 5.1.1.6.4 the additional statements contained in the report, namely that of Dramat, Sibiya, Maluleke and Jennifer Irish Qhobosheane, do not contain material evidence which is capable of justifying an alteration in the conclusion of the report;
- 5.1.1.6.5 Khuba states that in discussions with Sesoko, his attention was drawn to the fact that the evidence against Sibiya may not withstand scrutiny in court and that Dramat simply having knowledge of the operation was not sufficient to implicate him criminally. This version by Khuba is contradicted by Khuba himself who states that he agrees that the knowledge of a crime is sufficient. Furthermore Khuba's version is not consistent in that Khuba himself drafted the First Report recommending the prosecution of Dramat which report was drafted with input from Mosing and Moeletsi, who had more experience with the NPA itself, than Sesoko; and
- 5.1.1.6.6 as an IPID investigator, Khuba would have to have a basic understanding of the workings of the law and would have or ought to have understood that his mandate is to investigate and to report and not to assume the role of the court in evaluating and testing evidence hypothetically.
- 5.1.1.7 Further to the above, both Angus, (who has substantial experience as an investigator), and Mosing confirm that if a report is submitted and new evidence comes to light subsequent to the submission of such report, the report may be updated to include the additional information. Any such update would not affect the status of the First Report.
- 5.1.1.8 Should the actual reasons which necessitated the submission of the Second Report be as Khuba stated (being to update the report with new evidence) the logical conclusion would be that the *recommendations* of the First Report would not be amended unless the additional information was so material that it required the alteration of a recommendation contained in the First Report.

- 5.1.1.9 In our opinion, and for the reasons discussed above, the additional information which according to Khuba necessitated the submission of the Second Report, was not sufficient or material and therefore did not require a change in the outcome of the report.
- 5.1.1.10 In light of the above, Khuba's alleged reasons for publishing the Second Report do not seem to be completely truthful.
- 5.1.2 Discrepancies between the two reports
- 5.1.2.1 The following material discrepancies are noted between the first and Second Reports-
- 5.1.2.1.1 Portions of the statements of individuals who implicate Dramat's involvement in the Rendition, which appear in the First Report, have been deleted in the Second Report;
- 5.1.2.1.2 the summary of evidence relating to the cell phone records of individuals has been altered to leave out information of evidentiary value;
- 5.1.2.1.3 the analysis and findings of the Second Report have been altered and truncated to no longer evaluate the evidence against Dramat which alteration coincides with the deletion of information implicating Dramat, in the individual statements; and
- 5.1.2.1.4 the recommendation in the Second Report has changed drastically, from recommending the prosecution of Dramat, Sibiya, Maluleke, Radebe, Nkosi and Makoe in the First Report, to no longer recommending the prosecution of the aforesaid individuals other than Maluleke.
- 5.1.2.2 The discrepancies listed above, and specifically the removal of pertinent evidence, is not justified in any way and appears to be effected in order to justify the conclusion that Dramat should not be prosecuted for his involvement in the Rendition.

### 5.1.3 Explanation for the discrepancies

5.1.3.1 We have interviewed each of the co-signatories of the Second Report and none of the co-signatories have been able to offer a valid explanation for the discrepancies listed above.

5.1.3.2 For ease of reference, we will address the responses of each of the three co-signatories separately below.

#### 5.1.3.2.1 **Khuba**

5.1.3.2.1.1 Before the discrepancies between the reports were drawn to Khuba's attention, Khuba volunteered that he did not initial each page of the report and is therefore unable to determine if any information has been added or removed in the Second Report.

5.1.3.2.1.2 According to Khuba, he simply signed the First Report and provided Sesoko with a copy of the signed report and he is not aware of how the signed Second Report was provided to the NPA from that point.

5.1.3.2.1.3 Once the discrepancies had been drawn to Khuba's attention, Khuba explained that the analysis of the cell phone evidence had been changed in the Second Report in order to summarise the evidence in a concise manner.

5.1.3.2.1.4 However, he was unable to explain any of the discrepancies and he indicated that he was concerned by the deletion of information in the summary of individual statements.

5.1.3.2.1.5 Khuba states that he was not responsible for the deletions, nor is he able to indicate who was responsible for the deletions.

#### 5.1.3.2.1.6

On a weighing of the evidence before us and the testimonies of each individual interviewed, we accept Khuba's version of events. This acceptance is not without difficulty in light of Khuba's failure to explain the discrepancies between the First and Second reports considering that he is the author of the First Report and the co-author of the Second Report, as well as the fact that Khuba failed to disclose information during his interview with Werksmans, which information was relevant to the investigation.

#### 5.1.3.2.1.7

The aforementioned information relates to the complaint made under sworn affidavits by Khuba and Viceroy Maoka to the NDPP in respect of Baloyi. In their affidavits the complainants state, inter alia, that Baloyi has failed to uphold his initial consideration not to prosecute Dramat. The purpose of this complaint is unclear and seems to illustrate that Khuba misinterprets his role as investigator required to make **recommendations** in an investigation report which is meant to be a tool to assist the NPA in deciding whether or not to prosecute. This complaint came to our attention through Baloyi and not Khuba himself.

#### 5.1.3.2.1.8

Additional information which Khuba failed to bring to our attention, was that he sought the legal opinion of Advocate Barry Roux, in relation to the Second Report.

#### 5.1.3.2.2

##### **Sesoko**

##### 5.1.3.2.2.1

Sesoko stated that he was never given the First Report, hence the absence of his signature in that report.

##### 5.1.3.2.2.2

According to Sesoko, the only report he has ever seen is the Second Report.

5.1.3.2.2.3 This above version is contradicted by Khuba who states that he emailed a copy of the First Report to Sesoko to be provided to McBride before Khuba met with McBride.

5.1.3.2.2.4 It is further contradicted by Sesoko himself who corroborates Khuba's version that he received an email copy of the First Report from Khuba to provide to McBride. Additionally, Moukangwe stated that Sesoko, Khuba and himself attended at the offices of the NPA in order to submit the First Report to the NPA.

5.1.3.2.2.5 Sesoko's version is that he is not aware of any discrepancies or deletions in the Second Report, and that his involvement in the drafting of the Second Report was only supervisory and he never actually worked on the report. This is directly contradicted by Khuba's version that he and Sesoko worked on the report together and Sesoko gave substantial input in the alteration of the recommendation on the basis of what could be proven in a court.

5.1.3.2.2.6 It is clear from Sesoko's responses that Sesoko did not take us into his confidence and his reaction to questioning in respect of the reports was a bare denial of any meaningful involvement in the submission of the Second Report, and any knowledge of the First Report.

### 5.1.3.2.3 **McBride**

5.1.3.2.3.1 McBride states that he had no input in the report other than to make grammatical changes. Conveniently, it is not possible to prove this with documentary evidence because the manuscript changes made by McBride were destroyed to prevent documents being leaked.

5.1.3.2.3.2 Notwithstanding that McBride vehemently confirms that he stands by the recommendation contained in the Second

Report, he admits that he did not read any of the evidence contained in the docket, nor did he have sight of the First Report.

#### 5.1.3.2.3.3

McBride's version of events is that he was provided with a Second Report which had already been signed by Sesoko and Khuba and that he then signed the Second Report himself. McBride was allegedly not aware of the First Report or any discrepancies in the reports and he did not allow us to draw his attention to same.

#### 5.1.3.2.3.4

McBride accepts that generally an investigation report is signed by the investigating officer. However, in relation to the Second Report, McBride records his reason for signing the report as that the matter involved two provinces.

#### 5.1.3.2.3.5

It is difficult to accept McBride's version for a number of reasons, including –

##### 5.1.3.2.3.5.1

it is highly unlikely that as an executive director of IPID who requested an update on high profile matters within a week of his appointment, that McBride was not aware of the First Report;

##### 5.1.3.2.3.5.2

Khuba states that upon first meeting with McBride on 6 March 2014, that it was evident from their discussions that McBride had had regard to the First Report;

##### 5.1.3.2.3.5.3

McBride's version is contradicted by Khuba who states that McBride's input into the report went beyond just grammatical changes;

##### 5.1.3.2.3.5.4

in addition, the reason given by McBride for signing the Second Report, being that the matter involved two provinces, is contradicted by Khuba who stated that this reason was never presented to him as being

the reason for signature of the report by McBride but that McBride signed the Second Report as a result of his participation therein;

5.1.3.2.3.5.5

McBride states that he is not aware of any deletions in either report; nor was he interested in having his attention drawn to same. Considering that McBride in his capacity of executive director, is in the centre of the Rendition investigation, it is perplexing as to why he would not consider the discrepancies between the First and Second Reports in order to be in a position to address them;

5.1.3.2.3.5.6

McBride vehemently supports the conclusion in the Second Report which he personally signed, without having considered, on his own version, the contents of the First Report and more importantly, the evidence in the docket;

5.1.3.2.3.5.7

McBride's version that he did not have regard to the evidence in the docket is contradicted by Khuba who states that on 6 March 2014, a mere three days after McBride's appointment, McBride requested that Khuba retrieve the docket from the NPA and provide McBride with every document that Khuba had in relation to the matter. Khuba furthermore confirms that it was not necessary in his view for the docket to be retrieved in order to add any evidence to it;

5.1.3.2.3.5.8

quite significantly, there are a number of contradictions between the statement provided to Werksmans by McBride, and the statement of facts by McBride contained in a sworn affidavit by himself relating to the Rendition. For instance, in his sworn affidavit before the High Court of South Africa, Gauteng Provincial Division –

#### 5.1.3.2.3.5.8.1

on page 9 and page 11 (paragraphs 24.1 and 27, respectively), of his affidavit, McBride makes reference to the First Report as a "preliminary draft of the report (of 22 January 2014)" and as "the draft and leaked report". Not only is this contrary to his own version that he did not have sight of the First Report, but referring to the First Report as a preliminary report is contradicted by the testimony of Khuba (being the actual author of the First Report) and Mosing (being a member of the investigation team instrumental in submitting the First Report) who state that the First Report was considered to be final. Furthermore, as stated above, Angus states that in his experience as an investigator of IPID, a preliminary report does not contain recommendations. This view by Angus is given credence by the fact the Preliminary Report which itself records that it is not a final report, does not contain recommendations;

#### 5.1.3.2.3.5.8.2

at page 10 (paragraph 24.2) of his affidavit, McBride states that "the provisional findings and recommendations were found to be unsustainable on the evidence and were, accordingly, not included in the final investigation Report (of 18 March 2014)". This is a further contradiction to the version put forth to Werksmans by McBride who stated that he did not have regard to the First Report, nor did he have regard to the evidence contained in the docket. As such, McBride would not be able to pronounce on whether or not the findings of the First Report were unsustainable on the evidence. Additionally, it would be difficult for McBride to draw such a conclusion if, as he stated, the only input he had into the Second Report was related

to grammatical changes and that he was furthermore only provided with a copy of the Second Report for signature once Khuba and Sesoko had signed the report;

#### 5.1.3.2.3.5.8.3

at page 22 (paragraph 51.2) of his affidavit, McBride states "I want to make it abundantly clear that the final report was the product of a thorough investigation process which included taking into account all the evidence gathered through the IPID investigation and making reasonable recommendations on the basis thereof". This statement appears to contradict McBride's version that he did not have regard to the evidence contained in the docket, and that his involvement in the Second Report was limited to grammatical changes and signature of the Second Report;

#### 5.1.3.2.3.5.8.4

on page 23 (at paragraph 51.5) of his affidavit, McBride states that "The preliminary draft of the IPID Investigation Report was also still subject to consideration and review by Sesoko and myself". This statement is contradicted by both McBride and Sesoko. McBride stated that the only input he had into the Second Report related to grammatical changes and Sesoko said that his role was merely supervisory; and

#### 5.1.3.2.3.5.8.5

a further and notable contradiction to McBride's version as put forth to Werksmans, is found on page 23 and 24 of his affidavit (paragraph 51.6) wherein McBride states "The IPID investigation was conducted in co-operation with Advocate Anthony Mosing and Advocate Billy Moeletsi, from the offices of the NDPP, both of whom were involved with the IPID investigation into the

illegal rendition of Zimbabwean nationals, even before a complaint was lodged with IPID. They remained in the investigation throughout, and were provided with regular preliminary reports by the investigating Officer, Mr. Khuba...". This statement is contradicted by Mosing who states that he was not involved in the submission and/or drafting of the Second Report.

- 5.1.4 The analysis and findings have also been altered to remove an analysis of evidence which may implicate Dramat and/or Sibiya. The alteration of the recommendation seems to be a non sequitur in light of the fact that the so-called additional information added to the Second Report does not appear to be capable of justifying an altered conclusion.
- 5.1.5 In the absence of a valid explanation for the deletions by the co-signatories, the only logical conclusion which can be drawn from the circumstances detailed above, is that the Second Report was created for the purpose of exonerating the high ranking officials, specifically Dramat and Sibiya, who were implicated in the First Report.
- 5.1.6 It is difficult to ascertain who is responsible for the deletion of the portions of the statements which appeared in the First Report and which do not appear in the Second Report. It is evident to us that none of the co-signatories to the report are being truthful in respect of their involvement in the submission of the Second Report.
- 5.1.7 Each of the co-signatories to the Second Report deny effecting the deletions. We are of the view that the deletion of material evidence which is likely to affect the decision of the NPA in determining whether or not certain individuals should be prosecuted, is a criminal offence, specifically, defeating the ends of justice or obstructing the administration of justice.

5.2 **Whether any misconduct or offence has been committed and if so by whom?**

This question is dealt with within our responses to 5.3 below.

5.3 **Whether there is prima facie evidence of misconduct and criminal liability by Lieutenant-Dramat; Major-Sibiya; and any other officers mentioned in the original report**

5.3.1 **Lieutenant-General Anwa Dramat**

- 5.3.1.1 In his statement, Khuba cites the reasoning for the publication of the Second Report to be as a result of new evidence coming to light. This evidence, according to Khuba, related to the cell phone records of Sibiya as well as the discussions held amongst Sesoko, McBride and himself.
- 5.3.1.2 Notwithstanding that the purported reasons for the publication of a Second Report do not appear to relate to Dramat, it is clear from a perusal of the First and Second Report, that a large volume of information that relates to, and in fact incriminates, Dramat which appeared in the First Report, has been removed from the Second Report. These portions of the First Report which were removed have the effect of distancing Dramat insofar as his involvement with the Rendition is concerned.
- 5.3.1.3 Even if Khuba's version of events is to be accepted and the decision was taken to change the recommendation in respect of Dramat due to the view that there was not enough information to prosecute Dramat, this still does not explain why information relating to Dramat was deleted.
- 5.3.1.4 Khuba has not been able to provide us with a plausible explanation for the removal of the information, nor are we able to draw any inferences other than that the removal has been effected in order to justify the failure of the Second Report to recommend Dramat be prosecuted criminally, whereas the First Report made such a recommendation. When Khuba was confronted with the totality of the deletions during our interview with him, Khuba responded in part with surprise and concern.

5.3.1.5 Upon perusal of the First Report, and specifically Khuba's analysis of findings in respect of Dramat, we agree and support Khuba's analysis of findings which resulted in the recommendation that Dramat be criminally prosecuted. Without replicating the basis of Khuba's findings, which is available in the First Report, we will summarise them briefly, below.

5.3.1.5.1 Dramat met with the Zimbabwean police prior to the commencement of the operation

5.3.1.5.1.1 Madilonga's statement reflects that he was stationed at the border when Zimbabwean police officers attempted to cross into South Africa for the purposes of meeting with Dramat. Madilonga placed a call to Radzilani and Makushu, who both corroborate this evidence, in order to verify the averments by the Zimbabwean police. Madilonga was even provided with Dramat's cell phone number by Superintendent Ncube of the Zimbabwean police who identified himself to Madilonga as the leader of the group. Madilonga contacted Dramat in order to confirm the averment by the Zimbabwean police that they were going to meet with Dramat, and according to Madilonga, Dramat confirmed that he was aware of the Zimbabwean police's presence and that Madilonga should let them cross the border into South Africa.

5.3.1.5.1.2 In addition to the above, the success report dated 4 February 2011, addressed to, inter alia, Dramat and signed by Leonie Verster, records as its first point that on 5 November 2010, the Zimbabwean police visited the office of DPCI and engaged in a meeting with Dramat regarding Zimbabwean nationals who allegedly shot and killed a senior Zimbabwean police officer. The success report furthermore gives information relating to the arrest of two of the wanted Zimbabwean nationals. This success report was addressed to Dramat and there is no record of

Dramat contradicting any statement of fact within the success report.

5.3.1.5.1.3

The above information should be viewed in the context of the fact that, as mentioned in the summary of Khuba's evidence above, in a meeting with Khuba and Moukangwe, Dramat stated that he did not remember meeting with the Zimbabwean police.

5.3.1.5.2

Dramat received communications during and after the commissioning of the Rendition

5.3.1.5.2.1

The cell phone records of Sibiya show that 30 smses were sent to Dramat at various milestones in the operation. Dramat also received an sms from Maluleke shortly after the arrest of the Zimbabwean nationals. Although Dramat never responded to these smses, when viewed in the context of Dramat's meeting with the Zimbabwean police, the success reports received after the operation and Dramat's congratulating of the crime intelligence officers, the smses lead to the conclusion that Dramat was aware of the operation as it happened.

5.3.1.5.2.2

In addition to the above, there is evidence that emails circulating 20 photos of both the Zimbabwean nationals and the police members involved in the operation, were sent by Maluleke to Dramat's personal assistant. We believe that it is reasonable to deduce in the circumstances, that these emails were brought to the attention of Dramat through his personal assistant.

5.3.1.5.3

Dramat congratulated members of crime intelligence after completion of the operation

5.3.1.5.3.1

According to the testimony of Mkasibe and Mgwenya, Dramat attended at the offices of the DPCI and thanked the officers present for their participation in arresting the

Zimbabwean nationals. Mkasibe went further to state that Dramat warned them not to tell anyone about the operation. Mgwenya did not confirm Dramat's warning. It is recorded that Mgwenya admitted to Khuba that he knew Dramat from their mutual time in Umkhonto we Sizwe. In addition, a third officer, Mokgobu, testifies that she was not at the office when Dramat attended; however, upon her return she was informed by her colleagues that Dramat had attended in order to congratulate them on a job well done.

#### 5.3.1.5.4

#### Dramat's statement to Acting National Commissioner of SAPS

##### 5.3.1.5.4.1

According to the erstwhile Acting National Commissioner of SAPS, Lieutenant General Mkhwanazi ("**Mkhwanazi**"), in late 2011 news of the Rendition came to light. He contacted Dramat who confirmed that members of his unit transported the Zimbabwean nationals as illegal immigrants. Mkhwanazi then summoned Dramat to his office. Dramat arrived with Maluleke. Maluleke informed Mkhwanazi that he was investigating a case of ATM bombings which led him to the Zimbabwean nationals. Once he realised that they were not linked to the ATM bombing case, he decided to deport them after getting the necessary documentation from Home Affairs. When Mkhwanazi asked whether it was necessary to transport illegal immigrants, Dramat could offer no explanation.

##### 5.3.1.5.4.2

Not only does the above display that Dramat had knowledge of the events, but his failure to offer a valid response to the question of whether it was necessary to transport the Zimbabwean nationals illustrates that either Dramat did not exhibit the level of control and oversight that he is required to by virtue of his position, alternatively, Dramat was attempting to cover up the Rendition operation as he was aware that it was unlawful.

5.3.1.6 In our view, the above information is sufficient to create a prima facie impression that Dramat is guilty of both criminal and disciplinary misconduct and that the circumstances surrounding his involvement in the Rendition and the decision of whether or not to prosecute Dramat, bears further consideration by the NPA.

### 5.3.2 **Sibiya**

5.3.2.1 We have perused and considered the contents of both the First and Second Reports in order to establish whether there is prima facie evidence of misconduct and potential criminal liability against Sibiya. It is alleged that Sibiya, was involved in the operation of 5 November 2010 and well as the operation of 22/23 November 2010.

5.3.2.2 Sibiya is the head of the TOMS unit. From our reading of the two reports regarding TOMS, we have gathered that the main objective with the establishment of TOMS was to fight priority crimes, this includes inter alia, combating armed robberies by dangerous criminals, investigating and arresting those responsible for ATM bombings.

5.3.2.3 Sibiya states as follows:

*"The reality of the matter is that the operation in question was conducted under the auspices of DPCI National Head Office and they requested the services of my team because of their training and capacity".*

5.3.2.4 This revelation by Sibiya confirms his knowledge of the operation that led to the Rendition of Zimbabwean Nationals. He provided TOMS personnel to assist DPCI National Head Office to carry out the Rendition.

5.3.2.5 Furthermore, in terms our reading of the annexures and two reports, Maluleke carried out the operation on instructions of his superiors.

#### 5.3.2.6

The Rendition was carried out by the members of TOMS under the leadership of the Maluleke. The First Report suggests that Sibiya not only sanctioned the operation, but also that he actually participated in the Rendition. Several statements and affidavits from various witnesses confirming the participation of Sibiya in the Rendition were obtained. We deal **with** these statements herein below for the sake of completeness.

#### 5.3.2.7

**Bongani Henry Yende** whose statement is annexed as **A4** to the both reports, states:

*"During October 2010 I was nominated to be part of the Task Team called "TOMS". In full TOMS means Tactical Operations Management Section led by Major Sibiya who is the Provincial Commander of Hawks in Gauteng Province. The members of Crime Intelligence who worked with me at the Task Team were W/O Jawuke, W/O Ndobe and Constable Campbell.*

*On 2010-11-05 in the evening I received a phone call from W/O Makwe of DPCI in Gauteng who was also part of the Task Team "TOMS" that Major General wanted us to meet at Fourways to go and search for suspects in a case which a colonel was killed....*

*At our arrival at Fourways Shopping Centre W/O Makwe introduced two African Males as our police counterparts from Zimbabwe Police.*

*At the time W/O Makwe introduced the two policemen from Zimbabwe, I realised that the Colonel that was killed was from Zimbabwe and not from South African Police. W/O Makwe informed us that the two police officers came to us via the office of Dramat who is National Head of DPCI. Maj Sibiya was sitting in a navy BMW vehicle busy on his cell phone and I could not greet him".*

#### 5.3.2.8

**Petros Jawuke** whose statement is attached as **A5** to both reports. At paragraphs 2, 9 and 10 of his statement, Jawuke states:

*"During 2010 I was nominated to be part of a Task Team called "TOMS" in Gauteng Province and the team operated under the command of Major Sibiya who is the Head in Gauteng Province.*

*Four suspects were detained at Orlando SAPS on 2010-11-06. I do not know how Pritchard TSHUMA and Shepherd TSHUMA are related. The operation of the 2010-11-23, started during the night of the 2010-11-22 until early hours of the 2010-11-23.*

*I saw Maj Gen. SIBIYA in the second operation, however I also heard that he was present in the first one. I also never saw Maj. Gen SIBIYA assaulting any of the suspects. That's all I can state at this stage."*

#### 5.3.2.9

**Shepard Tshuma** whose statement is annexed as A1 to the both reports. Shepard was giving an account as to what transpired during the operation of 5 November 2010. Shepard states the following in relation to Major Sibiya.

*'Few minutes Cowboy asked where must we be detained and one police office said we must be taken to Randburg and the other one said we must be taken to Krugersdorp. Whilst they were busy arguing about the place to be detained, one police officer said they better ask Sibiya at that time, I didn't know who Sibiya is, but later I saw him coming out from a certain black BMW and he gave them instructions to take us to Orlando SAPS."*

#### 5.3.2.10

**Maqhawe Sibanda** whose statement is annexed **A2** in both reports. He states the following in relation Sibiya's involvement in the operation of that 5 November 2010.

*"I later knew some of the police officers who were busy assaulting us. They call themselves with their name, it was cowboy the one who was wearing a cowboy hat, Nkosi, Leburu who was a coloured. I only manage to know the above but I can able to identify others if given permission to do that.*

*After we were beaten by the police, they started arguing about the place to be detained. One of the police mentioned Randburg the other mentioned Krugersdorp until the other decided that Sibiya must give directions."*

*I saw Sibiya coming out from the Black BMW and gave instructions to be taken to Orlando SAPS and they took us to Orlando SAPS. Arrived at the Police station in the yard I was following Shepard and saw Leburu (coloured police officer) taking the money at the back pocket of the trouser of Shepard."*

5.3.2.11 The aforesaid statements by the eye witnesses from Crime Intelligence confirm that the operations on 5, 22 and 23 November 2010 were carried out in connection with the murder and robbery case that took place in Zimbabwe where a Police Superintendent was killed. This conclusion is confirmed by the presence of Zimbabwean Police officials during operations.

5.3.2.12 The above statements were made under oath and are from the Zimbabwean nationals as well as members of Crime Intelligence who claim that they all saw Sibiya at either the first or second operation of the Rendition.

5.3.2.13 As mentioned earlier in this report, an analysis of the cell phone records of Sibiya purportedly does not place him at the scene at the first operation in which he is alleged to have participated. However, it is not clear whether, solely on the basis of the aforesaid analysis of cell phone records, that Sibiya can be said to be placed in Pretoria in respect of both the first and second operations, in light of the consistent eyewitness testimony which places at the scene of both operations. Although the inference is drawn from the analysis of cell phone records that Sibiya was in Pretoria, the most that can be concluded in this regard is that Sibiya's cell-phone was located in Pretoria at the relevant times. Whether Sibiya was in the same location at that time is an assumption, and given the weight of eyewitness evidence to the contrary, would be a questionable conclusion.

- 5.3.2.14 It is our view that there is a clear contradiction between the conclusion to be drawn from the evidence of the eye witness discussed above, which places Sibiya in Diepsloot at the time of the operations, and the analysis of cell phone records which infers that Sibiya was located at Pretoria in Sunnyside at the time relevant times.
- 5.3.2.15 It is our view that this contradiction should be tested and weighed by the NPA and or a court of law. We cannot discount one piece of evidence against the other. Neither can we recommend that certain weight be placed on certain evidence or recommend that certain piece of evidence be disregarded, without it having been tested in a court of law or some forum.
- 5.3.2.16 Further to the above, the mere allegation that the members of Crime Intelligence have conspired against Sibiya by giving their eyewitness testimony can never be a rational basis to discount their evidence, or to fail to test the credibility of these witnesses or the veracity of their versions against the contrary evidence and conclusions which lead from the analysis of cell phone records.
- 5.3.2.17 According to our investigation we have established that the analysis of cell phone records serve two purposes. First, to assess the specific location of a phone at a certain time and secondly to assess the trail of communications for which the cell phone was utilised. In terms of the first assessment, Sibiya's cell phone records place his cell phones at Sunnyside in Pretoria. According to this, Sibiya was not present at any of the operations as alleged by the eye witnesses.
- 5.3.2.18 The second assessment of Sibiya's cell phone records shows that Sibiya communicated with officers who were involved in the operation, one of which is Maluleke and sent 30 smses to Dramat at the 0825515311 number during various milestones of the Rendition. Khuba records in the First Report that Dramat never responded to any of the smses from Sibiya.

5.3.2.19 In our view there is a prima facie case of kidnapping and defeating the ends of justice or obstructing the administration of justice to be made against Sibiya. It is our view that he knew about the operation that led to the Rendition. He provided a team of police officers to search and arrest the Zimbabwean nationals suspected of killing the Superintendent from Zimbabwe. As the provincial head of DPCI he sanctioned the Rendition. He allegedly gave directions to the members of TOMS on where to detain the Zimbabwean nationals. The cell phone records show detailed communications between Sibiya and Maluleke and Dramat despite the latter not responding to the smses.

5.4 **The circumstances under which the Second Report and the docket was handed to the NPA and what happened to the docket whilst in the NPA's possession**

5.4.1 According to Mosing the NPA's involvement in the matter was called for in the early possible stages of the investigation into the Rendition. Further, the former Minister of Justice and Constitutional Development, the Honourable Jeff Radebe addressed a conference of Senior Managers of the NPA during 2012 wherein he called for the allegations into the Rendition to be investigated, as the Government was concerned about the possible violation of international law during the Rendition.

5.4.2 It is against this backdrop that the Special Projects Division in the office of the NDPP was requested to provide guidance to the IPID investigating team led by Khuba. The Special Projects Division team was headed by Mosing assisted by Moeletsi. The team met with Khuba sometime in July 2013. The team produced the Preliminary Report into the Rendition on 22 October 2013. Mosing and Moeletsi advised Khuba to conduct further investigations into certain aspects of the report.

5.4.3 On 12 November 2013, Mosing addressed an internal memorandum to the NDPP and the DNDPP. This memorandum sought to provide an update on the progress made by the Special Projects team and the investigating team led by Khuba. The memorandum goes on to say that

there was outstanding evidence that Khuba and the team had to obtain or gather in order to finalise the Preliminary Report.

- 5.4.4 According to Mosing, the outstanding information related to the warning statements from Dramat, Sibiya and Maluleke, an analysis of the cell phone data, as well as a report on the analysis of vehicle tracking information of the members involved in the operation during the Rendition.
- 5.4.5 The investigation team finalised its investigation on or about 22 January 2014 and compiled a report with final recommendations. This was a final report on the investigation in the Rendition. It was handed to the Special Projects team so that the NDPP could make a decision to either prosecute or not prosecute those implicated in the report.
- 5.4.6 On 13 February 2014 Mosing addressed another internal memorandum to Jiba and Chauke, indicating that the investigations had been finalised and that the report from IPID had been submitted for the purposes of considering the merits of the case. This internal memorandum also enclosed the docket comprising of two lever arch files, together with other files containing the cellular phone data and evidence obtained from a computer belonging to the DPCI.
- 5.4.7 According to Chauke the receipt of the internal memorandum from Mosing on or about 14 February 2014 was preceded by a meeting wherein the NDPP advised Chauke to consider the docket and take a decision in regard to same. Chauke was assisted by Advocate Van Zyl who is the Deputy Director of Public Prosecutions for South Gauteng. Subsequent to the internal memorandum from Mosing, the docket was handed to the office of Chauke for a decision on whether to prosecute on the matter. According to Chauke before his office could even make a decision on the matter Khuba and Angus from IPID collected the docket from Advocate Van Zyl's office on 7 March 2014 and signed a receipt thereof. It bears mention that this occurred shortly after McBride was appointed as the executive director of IPID. According to Khuba, he collected the docket following an instruction from McBride for him to do so.

- 5.4.8 On 18 June 2014 Advocate Van Zyl telephoned Khuba requesting the docket from the latter. Khuba told him that McBride had instructed him to return the docket to the NDPP and that this has been done. Khuba did not give or specify the date by which the docket was returned to the NDPP by himself. We are advised that Advocate Van Zyl telephoned Khuba, for the second time, to enquire about the docket which his office has not received. Khuba told Advocate Van Zyl that it was never his (Khuba) intention to return the docket to Advocate Van Zyl anyway.
- 5.4.9 We are advised that in light of this information from Khuba, Advocate Van Zyl telephoned Mosing to enquire whether the docket had been returned to the office of the NDPP. Mosing advised him that the dockets were never returned to him.
- 5.4.10 According to Chauke he addressed a letter on 3 July 2014 to the NDPP informing him about the above sequence of events regarding the docket. We are advised that the NDPP officially responded to the letter on 20 August 2014 indicating that the NDPP is in a process of considering the matter and that Chauke may close his file.
- 5.4.11 Sometime in December 2014, the NDPP enquired from Chauke about the case and wanted to know whether the latter was still involved in the matter. Chauke was surprised by this enquiry from the NDPP as according to him (Chauke) he was instructed by the same NDPP to close his file on the matter. Chauke advised the NDPP that he had since close his file on the matter and was not dealing with it anymore.
- 5.4.12 We also consulted the DPP for North Gauteng, Mzinyathi in relation to this aspect of our investigation. Mzinyathi told us that he received a telephone call from the NDPP on or about 10 January 2015 asking him about his knowledge of the Rendition. Mzinyathi told the NDPP that he did not have a clue of what the NDPP was talking about. According to Mzinyathi the NDPP told him that he had received the docket in the matter from Chauke and that the matter fell under Mzinyathi's jurisdiction because Diepsloot was under Atteridgeville which fell under North Gauteng DPP. On the day this call was made, Mzinyathi was on leave. He only returned from leave

on or about 13 January 2015. Shortly after his return, the docket was delivered to his offices.

- 5.4.13 Mzinyathi spoke to his colleague the DDPP for North Gauteng, Baloyi regarding the docket and informed him that they must formulate a view on the matter. According to Mzinyathi sometime in March 2015 he received a report (being the Second Report) from the NDPP. This report summarised the statements in the docket and made its own recommendations as to who should be charged. Before Mzinyathi made his own recommendations, he approached the NDPP to understand certain things. The NDPP told him that there was a First Report and that he should read it as well. The NDPP provided him with a copy of the First Report. Mzinyathi shared this First Report with Baloyi and they discussed the potential charges to be brought against those implicated in the report.
- 5.4.14 Mzinyathi and Baloyi finalised their reading of the docket and the two reports and made recommendations on who should be charged and prosecuted. They sent their recommendations to the NDPP on 13 March 2015.
- 5.4.15 We are advised that on 31 March 2015 the NDPP wrote another letter to Chauke informing him that matter has been referred to Mzinyathi, who has recommended that all the accused including Dramat and Sibiya be prosecuted for inter alia kidnapping and defeating the ends of justice. This letter attached the letter addressed by Mzinyathi to the NDPP on 13 March 2015.
- 5.4.16 We are advised that the aforesaid letter from the NDPP inter alia states that the matter must be returned to the DPP South Gauteng because it now falls under the jurisdiction of the DDP South Gauteng since 1 December 2014. As from that date Diepsloot fell under the South Gauteng in terms of the Government Notice No 861 of 31 October 2014.
- 5.4.17 According to Chauke on 1 April 2015 he received a box consisting of the docket with a letter containing Mzinyathi's recommendations. On even

date he received a letter from the Head of National Prosecution Services to conduct specific investigations in the matter.

5.5 **Any other matter that might come to your attention during the investigation which is relevant to your conclusions and findings**

5.5.1.1 In the context of the sequence of events described at 3.2.2, we have specific concerns that remain unanswered, as to how the docket was dealt with after it was received by the NDPP. These concerns are as follows-

5.5.1.1.1 in February 2014 the NDPP referred the matter to Chauke, the DPP for South Gauteng at a period when Diepsloot fell under the jurisdiction of the DPP for North Gauteng. This amounted to a transfer of jurisdiction in terms of section 22(3) of the National Prosecuting Authority Act;

5.5.1.1.2 in April 2014, the NDPP accepted the docket back from McBride without having withdrawn the jurisdiction from Chauke;

5.5.1.1.3 in January 2015 the NDPP referred the matter to the DPP for North Gauteng after he was aware the jurisdiction in respect of Diepsloot had been changed to fall under the jurisdiction of the DPP for South Gauteng. This amounted to another transfer of jurisdiction in terms of section 22(3) of the National Prosecuting Authority Act; and

5.5.1.1.4 the NDPP failed to take action in respect of the recommendation made by Mzinyathi on 13 March 2015 but rather sent the docket back to Chauke to make a decision on the matter. This amounts to a review by Chauke of the recommendation made by Mzinyathi. This was done despite the fact that in terms of section 22(2)(c) of the National Prosecuting Authority Act, the NDPP himself is authorised to review a decision to prosecute or not to prosecute taken by a DPP. There is no authority in the National Prosecuting Authority

Act which allows a DPP to review a decision taken by another DPP.

5.5.1.2 The reason that the concerns mentioned at 5.5.1.1 have not been addressed relates to the fact that the NDPP failed to respond to our request to meet with him. Interestingly, the NDPP is the only employee of the NPA involved in this matter who failed to meet with us in response to a request to meet.

5.5.1.3 In the absence of any explanation regarding the questions raised at 5.5.1.1, it is our view that the role of the NPA in dealing with the First and Second reports, should be investigated.
